

Still using an RLS Tape Library? Invest in a Brand New Qualstar Q-Series Library and Start Saving Immediately!

The RLS library was discontinued on September 1, 2021 and Service prices are expected to increase due to the lack of required components. In most cases, the True Cost of Ownership (TCO) of a new Q-Series library will beat the TCO of your existing RLS library.

- Q-Series libraries are expandable to accommodate your growth
- Q-Series libraries can be upgraded to LTO-9 and future LTO generations
- Existing RLS libraries cannot be upgraded to LTO-9 or future LTO generations
